Project Completion Letter

To,

TARUN KUMAR

SAHYADRI COLLEGE OF ENGINEERING AND MANAGMENT

Subject: Confirmation of Project Report Submission during training program on AI-ML in space exploration.

This is to formally certify that **Tarun kumar** has successfully completed a one-week training with **India Space Academy** on **Artificial intelligence & Machine learning in space exploration** held from **February 23, 2026, to February 28, 2026.**

During this period, the candidate actively participated in structured training sessions, technical discussions, and project-based work focused on **Artificial Intelligence & Machine Learning in Space Explorations**, including data analysis, predictive modeling, and real-world applications in space science. Throughout the training, the candidate demonstrated strong analytical skills, technical proficiency, and effective problem-solving abilities while working on the assigned project.

We wish the candidate continued success in all future academic and professional endeavors. We are confident that the knowledge and practical exposure gained during this training will greatly support future career growth.

The candidate has completed and submitted the report of the following project under the supervision of program Supervisor Dr Ashok Gopalakrishnan, Emeritus Scientist, ISA.

Development of an AI – ML Based Real Time Anomaly Detection and Autonomous Decision Support System for Deep Space Missions.
